

Squash Chairs Report

Squash @ CRC in 2017 has gone well.

Interclub has been strongly represented with Men's & Women's teams playing.

The AON Junior Open was held in April with great success with over 150 Juniors from NZ, Aus, UK, India, Singapore and China participating in the tournament. CRC received praise from Squash NZ for hosting a very successful tournament.

We also ran the inaugural club Calcutta Cup Tournament for club members. This was a great success with club members supporting and enjoying the format with good money being raised for the club.

I would also like to thank anyone who has volunteered their time to anything the club has needed with several jobs being completed around the club.

2017 Club Champs Results

The Club Champs format was changed so that it was run over one weekend this year. This format changed proved to be a great success with members, with numbers being up & everyone enjoying the weekend. A successful dinner & prizegiving was held on the final night.

Well done to all the winners, with some great games being played during the event.

Men's A Grade Champion	Stephen Oxenham
Men's B Grade Champion	Gerard Whittaker

Personality of the Year	Darren Thornton
Club Contributor of the Year	Dave Stearns

Looking Forward to 2018

CRC has no big tournaments in the pipeline for 2018, but we will look to build up the ones that are scheduled. The Calcutta Cup will be run again with the club looking to build on the initial successful format. We will also look to start a Business House teams event in the new year with the hope of attracting new members to the club.
