

**Tena koutou,**

Hello to all,

SCHOOL is back and I'm seeing lots of happy parents or maybe happy kids. Anyway school must be back as the clubhouse is become fairly busy with members fully back at work and ready to play sport.

We have a Busy first up Term with lots of fun events across both codes, so keep an eye on our notice boards, Facebook & web-site ( Details ) below.

**Vaccination passes required- RED LIGHT FRAMEWORK**

**Cambridge Racquets Club is at the Vaccine Pass Rules for our Club, members & all visitors.**

1. A vaccination certificate known as "My Vaccine Pass "will be required to verify vaccination status.
2. Only members, staff, coaches & visitors who have a verified vaccine pass will have access to the club courts, clubhouse, bar & lounge areas and changing rooms. This applies to players/visitors 12 years and over. Under this age a vaccine certificate is not required.
3. To be able to book a court from Monday 24<sup>th</sup> Jan onwards, all players will need to have verification of a valid Vaccine Certificate.
4. Online court bookings through Pay2Play will remain mandatory.
5. Members who are unable to provide a certified Vaccine Certificate will have their club membership temporarily suspended until a Certificate can be registered in the club's membership profile.
6. All members, visitors will still need to use the Covid tracer apps to ensure that accurate record keeping is undertaken.

### **RED LIGHT @ CAMBRIDGE RACQUETS CLUB**

- To be able to register your Vaccine Certificate members have the following options:
- Email a copy to the Club Manager
- Show your digital Certificate to an authorised Committee member, who will pass this information onto the club manager.

Members' personal health information will NOT be stored or recorded in the club systems. All certificate documentation will be deleted once the system has been updated. (Box ticked in P2P)

### **MEMBERSHIP TEMPORARY SUSPENDED**

Some members may have noticed that you can't book a court or get access to the courts.

This is probably due to your Vaccine pass has not been identified to management so your membership has been suspended.

Not to worry just send thru a copy of your pass for verification then you will be re-instated immediately.

If you still have issues then please contact DEANO at the office

### NEW TENNIS COURT- WORKING BEE, HAS A DATE CHANGE

#### Change of Plans

The team have agreed to defer the effort to remove the old Astro turf on Courts 1&2 until the following weekend to Sunday 13th February 2022.

The Tiger Turf team are due to start the replacement of the turf on Monday 14th February 2022 subject to weather conditions - it needs to be dry and not too windy

The key reason for the deferral of this effort is due to the need to have as many "hands on deck" on the day as it is a mammoth task. We are pleased that many of you have said you would be available to help but due to decisions and planning for the long weekend (Waitangi) many are not available which is completely understandable.

#### **Plan**

- The tractor sweeper will be available to do the work required on Saturday afternoon (around 4pm)
- The nets will be removed on Saturday also from Courts 1&2
- As much is possible we will look to start moving the sand off the courts by wheelbarrow
- The Sunday effort will start at 7.30am to remove the old Astro surface

#### **Please bring with you if you have one**

- A Stanley knife
- a yard broom
- Leaf blower
- A trailer to help move the turf rolls off the court

#### **For safety it may pay to bring any of the following**

- face mask
- sunglasses or eye protection
- gloves
- water etc

### WORKING BEE – CONTINUE

We are hopeful of some catering so we will provide plenty of sustenance for you all. Once the job is complete we will have a beer and for those with any energy left maybe a game of tennis!!

Please confirm your attendance to Deano in the office.

The more helpers the easier the job should become. Last time we had about 30 willing helpers which was outstanding.

Thanks for all the help (in advance)

Cheers Richard, Wayne and Graeme
